

Extreme Slo-Pitch League 2020

Do's & Don'ts

This sheet must be signed and handed in at the Tuesday pickup night.

- All team reps, players coaches and staff must adhere to the rules outlined by our governing body Slo-Pitch Ontario or otherwise stated by the Extreme Slo-Pitch League.
- All team reps must sign and date the Code of Conduct.
- No drinking of alcohol while participating in league play. Any player drinking will be ejected by the umpire. Also the team rep may be ejected as well.
- All doubleheader games for men's/coed and ladies games will have a 1 and 1 count and all games will have a time limit of 60 minutes.
- All single coed games will have a time limit of 70 minutes and will have a 1 and 1 count for all batters.
- Team reps must send in their initial roster prior to August 4 of the current playing season thru the online portal on the Extreme website.
- Team reps must pay the full league fees by August 13.
- Team reps must have control of their players throughout the season during league play and playoff play.
- Team reps must advise by email if they need a certain night off because of a team wedding or team vacations. All requests must be sent 45 days prior to the scheduled date.
- Weather Report. Rain - please don't call the league line and ask if the games are going to be played on your night. If it rains all day then a decision will be made by 4pm. Please have your players check the website on the first page to see if the night is cancelled. If it starts raining after 4 pm then your team MUST show up to the diamonds.
- Balls/Score sheets - all teams must keep their score sheets intact. Balls given to you at the start of the season are only for league games. Moving forward if you want more balls to finish off the season then we are charging \$5.00 taxes in for each ball. All teams must have a new ball and a used ball for every home game including playoffs. Balls available at the Extreme office. See hours of operation below.
- All team reps must submit scores at the end of each night of play. Not just the home team but both teams each night thru the scores portal on the website.
- SPO INSURANCE. We pay your insurance for your team at the start of the season. But to be insured, all team reps must input their players on the SPO database. You will get a username and password from SPO sometime in late June for you to have access online. All players then will go online as well with their own username and password and complete the insurance enrolment. All players must be active on the SPO website. You as a team rep are liable so please make sure all payers are "ACTIVE". Any issues please call Kerri at the SPO office 905-646-7773. Your team will be registered by August 15 with the SPO office.
- All rosters are frozen by September 5. No Player shall be added to the roster unless noted by the league executive.
- All players must play 25% of games during the regular season to be eligible for the playoffs and must be insured and ACTIVE on the SPO website.
- It is suggested to have at least 14 full time players on your team and can have as many as 24 players on the roster so please load up the roster at the start of the season.
- No vehicles will be allowed to drive on the grass at anytime.
