

June 23, 2021

Team Reps,

- We hope to get notified soon as to the actual date but most likely the start date will be July 2 so please be prepared to start on your night of play.
- Bases will be supplied ONLY at the CAA Centre. The umpires will open up the box and please have 1 or 2 players from the home team in the first game help the umpire place the bases at the proper location. Bases are to be set at 70 feet. The mat is supplied by the umpire as well.
- On the other city diamonds, the bases and mat must be supplied and installed by the home team. The home team is the first team on the schedule.
- Balls and scoresheets will be handed out on Wednesday June 30 between the hours of 4pm to 7pm at the CAA Red Diamond located at 7575 Kennedy Rd South between Steeles and Derry Rd. All teams MUST attend. Send anyone to pickup the items that will be released to you on this night.
- Uniforms are not mandatory for this season but please make sure all players are active on the SPN website. You will be getting a log in code and information to place your full roster on the SPN website. FAILURE to not adhere to this system will get you into trouble if one of your players gets injured and they are then NOT COVERED. So please make sure you read your emails in its entirety. NO EXCUSES.
- There will be fines for defaults again this year. \$50.00 fine for the 1st game and \$75.00 for the doubleheaders. All fines must be paid prior to your next games. All fines will be given to the team that has their players. The team can use the fines for their next season and will be deducted from their league fees. NO CASH OUTS.
- Each team is responsible to make sure they have enough players to play.
- Your Initial Roster is needed prior to your first game played. Please go onto the website and fill out the proper form then submit. On the initial roster you will need their full name, email address and the city where they live.
- Any team that needs to send in their deposit of \$500.00 needs to do so within 24 hours of receiving this email.
- The remainder of the league fees is due July 15 so please make sure you get your total fees in prior to this date or your games may possibly be cancelled.
- All payments can be emailed to payments@extremeslopitch.com or use the visa/mastercard portal online. All credit card payments must include a \$7.50 charge.

- We are now affiliated with Slo-Pitch National. The Extreme Slo-Pitch League will pay the insurance to SPN with your league fees so you need not to worry about this.
- All teams will receive an official rule book on Wednesday from Slo-Pitch National and as always we have our own in house rules and they will be on the website within the next week.
- The Do's and Don'ts plus the Code of Conduct must be read thoroughly and signed and then send to the extreme office by email only. Please make sure you read them and advise your players as well.
- Schedules for the first three weeks or so will be handed out starting Tuesday June 29 so please do not ask for your schedules. They will be on the extreme slo-pitch website.
- We are also in the midst of getting a new redesigned website and I'm not sure at this time when it will be up. I'm having major problems with sending emails to Hotmail accounts so at this time I'm using mail chimp. Also I will be getting rid of the info@extremeslopitch email address and changing it to something else but I will inform you of the change in due time. I'm crossing my fingers and hoping the transition is smooth.
- All teams make the playoffs and you are guaranteed 2 games for playoffs. It will be a double knockout format because of the shortened season. All playoffs games will be played on your night of play. You will play more than 1 game on playoffs weeks so be prepared. Hoping we don't have weather issues with rain and we will try to get them in. We may ask you to play makeup games on another night or maybe on a Sunday afternoon so again be prepared. I want to make sure all teams get their allotted games in for the season.
- All games are 65 minutes long for doubleheader games and 75 minutes for all single games.
- Standings get updated on a daily basis after the 2nd week so please make sure we get your scores. The scores portal is on the website so please make sure both teams submit scores nightly. You don't have to do it, get someone on your team that is responsible enough to complete the task.
- Awards will be handed out to the 1st place team in the standings and also the Playoff Champion and Playoff Finalists.
- If raining, all teams must show up on the diamond. I will make a decision by 4pm and we upload the info on the first page of the website. Please don't call and to see if there's a rainout.
- Sometimes it rains after 4pm and its very difficult to notify all the teams. Its in the umpires hands after 4pm.
- There will be no smoking, no drinking and no vaping at the diamonds. We have a no tolerance rule in regards to drinking so don't get ejected. Have your pops after the games not during. Please remember that if a player gets ejected because of drinking then automatically the team reps is ejected as well so govern yourself accordingly.
- All batters will start with a 1 and 1 count and all coed is 6 male and 4 female unless your playing 3 pitch at 7 and 3.
- Please look for our team rep page on facebook and send a request. I will be communicating by facebook more this year so get your players as well to like a page on the Extreme Slo-Pitch League Facebook page.

Any questions let me know,

Thanks, Sam
